I am a highly motivated Video Editor with over 2 Years of experience specializing in creating content related to news, technology, and advertisements. Proficient in industry-standard tools such as Premiere Pro, I bring a strong attention to detail and a passion for visual storytelling. I am eager to learn, adapt, and collaborate effectively within dynamic team environments.

EXPERIENCES

XTEN TECHNOLOGY - CONTENT CREATOR

May 2024 – Present

- Edited short and long videos for news and technology.
- Designed ad-related video content for social media.
- Created engaging social media video content.
- Produced news segments with animation and graphics.
- Maintained consistent brand aesthetics in designs.
- Created different thumbnails for YouTube.
- Fixed technical issues in video editing projects.

BEST EVENTS VENUE - PHOTOGRAPHY

- Captured and edited professional photos and videos of event venues, decorations, and services.
- Managed social media pages (Facebook, Instagram, TikTok, YouTube) to promote listed businesses.
- Helped grow the brand’s visibility through digital marketing and creative campaigns.
- Coordinated with business owners (banquets, catering, decoration, tent houses, jewelry, and fashion designers) for partnerships and content collection.
